

# Southern California Regional Occupational Center

## **CERTIFICATED VACANCY:**

Posted: March 24, 2009

**POSITION: CIVIL ENGINEERING / ARCHITECTURE INSTRUCTOR**  
**SCHEDULE: 2009-2010 SCHOOL YEAR / Part-time, 2 Days a week, Hours TBD**

## **BASIC FUNCTION:**

Instruction will provide an overview of the fields of Civil Engineering and Architecture, while emphasizing the interrelationship and independence of both fields. Course has state-of-the-art software to solve real-world problems and to facilitate hands-on projects and activities. The major focus of the course is a long-term project that involves the development of a local property site. As students learn about various aspects of civil engineering and architecture, they will apply what they learn to the design and development of this property. There is flexibility for the student and teacher, in that they can develop the property as a simulation or as a real-world experience in the community.

## **RESPONSIBILITIES:**

- Perform the primary role of a leader of learning as assigned.
- Assist in integrating industry and academic standards within curriculum development.
- Provide group and individual instruction utilizing the most effective teaching strategies.
- Assist in recruitment and prepare student for employment or advancement.
- Evaluate student skill competencies and job readiness and maintain accurate student attendance records.
- Manage classroom in such a manner as to ensure an environment conducive to learning.
- Complete and deliver written records and reports as required.
- Participate actively in subject matter advisory committee.
- Keep abreast of current practices and training methods.
- Ability to relate to high-school-age-students and adults.
- Perform other job-related duties as required.

## **EXPERIENCE / TRAINING / QUALIFICATIONS:**

Must have a Designated Subjects Vocational Education Teaching or Designated Subjects Career Technical Education Teaching credential, or be eligible to obtain a Designated Subjects Career Technical Education Teaching Credential in the appropriate subject matter area (this requires a minimum of five years of full-time recent work experience and or a combination of recent work experience and education) and possess a current license/certificate, as applicable, in the State of California. Processing assistance to obtain a Designated Subjects Career Technical Education Teaching Credential provided for a qualified eligible applicant not holding an appropriate credential.
