

Southern California Regional Occupational Center

CERTIFICATED VACANCY:

Posted: 7/07/09

POSITION: VIDEO GAME - ADVANCED INSTRUCTOR

SCHEDULE: 2009/2010 SCHOOL YEAR, PART-TIME, TWO DAYS & HRS TBD

BASIC FUNCTION:

Instruction will teach students how to model, texture, and integrate meshes and assets into a video game. This course is appropriate for students who have completed Introduction to Video Game Design and who wish to continue their education and explore aspects of video game design and development.

Instruction provides students with a creative outlet in world building and asset making. Art skills are learned and applied in a 3D environment. The student will learn the video game art asset pipeline, as well as essential skills that are required in the video game industry today, such as collaboration with a team, and directing and participating in art and design meetings.

RESPONSIBILITIES:

- Perform the primary role of a leader of learning as assigned.
- Assist in integrating industry and academic standards within curriculum development.
- Provide group and individual instruction utilizing the most effective teaching strategies.
- Assist in recruitment and prepare student for employment or advancement.
- Evaluate student skill competencies and job readiness and maintain accurate student attendance records.
- Manage classroom in such a manner as to ensure an environment conducive to learning.
- Complete and deliver written records and reports as required.
- Participate actively in subject matter advisory committee.
- Keep abreast of current practices and training methods.
- Ability to relate to high-school-age-students and adults.
- Perform other job-related duties as required.

EXPERIENCE / TRAINING / QUALIFICATIONS:

Must have a Designated Subjects Vocational Education Teaching credential or Designated Subject Career Technical Education Credential, or be eligible to obtain a Designated Subject Career Technical Education Teaching Credential in the appropriate subject matter area (this requires a minimum of five years of full-time recent work experience and or a combination of recent work experience and education). Assistance to obtain a Designated Subject Career Technical Education Teaching Credential provided for a qualified eligible applicant not holding an appropriate credential.
