The Board Heard Presentations on the Following:

- Deputy Superintendent, Laurie St. Gean reported that SoCal ROC had a successful visit from the WASC Visiting Team. The success was the result of excellent teamwork by staff and the Board of Education. The Visiting Team report was sent to the WASC Commission and SoCal ROC should be receiving word regarding the term of accreditation by mid June. Deputy Superintendent St. Gean stated the work on the Action Plan will take place over the next few years.

- Superintendent Hoffman reported that SoCal ROC has received the remainder of the state monies for the modernization project. Superintendent Hoffman provided an update of the project and presented photos of the progress. The Budget Reductions and projected savings are the following:

Deputy Superintendent St. Gean also provided the Board with two charts reflecting a 3- year comparison of revenue and expenditures for 08/09, 09/10, and budget planning for 2010/11 based on the best information provided by the State.
