

SOUTHERN CALIFORNIA REGIONAL OCCUPATIONAL CENTER

Career Technical Education Programs

2300 Crenshaw Blvd., Torrance, CA 90501

ENROLLMENT REQUIREMENTS

High School Students are required to be enrolled in grades 10, 11, or 12. If enrolled in the 10th grade, students are required to have a 4-year Academic/Career plan on file. All high school students must register with their Career Guidance Counselor. See your SoCal ROC Guidance Specialist for more information. SoCal ROC considers you an adult if you are 18 years or older, and/or if you have earned a high school diploma or passed the GED. Adults enroll at the SoCal ROC Registration Office. Adult students will be charged a tuition enrollment fee for each course; certain courses required additional fees for textbooks and/or other materials. Low income adult students (CalWorks, etc.) can contact (310) 224-4210. For more information regarding the overall registration process, contact the Registration Office at (310) 224-4230.

This tentative schedule as of 4/12/2010 is distributed for information and registration purposes. SoCal ROC will provide updated schedules as needed.

Courses offered by SoCal ROC are available to all students regardless of race, sex, ethnicity, religion, or handicap.

Grades and Credits will be awarded at the completion of the fall and spring semesters to high school students only.

Certificates will be awarded at the completion of the course when criteria have been met.

Spring 2010

(All courses offered at above address with exceptions noted)
