Short Description
Dental Assisting Module 6

Description
Do you have some experience in a dental office and want to earn the credentials to be a dental assistant? Are you needing a refresher or needing to renew your Infection Control certificate or your Radiation license? Have you completed dental assisting training, but need Coronal Polishing training before you can take your Registered Dental Assisting exam? Then some or all of these modules are right for you!

Prerequisite
Students must have minimal to some experience working in a dental office prior to starting the modules.

On the Job Training
Externship is mandatory for those using the modules to complete their dental assisting training, especially fo those planning to take the RDA exam after 11 months of experience working as a dental assistant.

UC Credit
None
