

## Welding Modules III

**School:** SoCal ROC  
**Course ID:** 3523  
**Availability:** Call 310-224-4200

### Short Description

For the student interested in entering an exciting field with outstanding employment opportunities, or who wants to improve his/her current welding skill level.

### Description

Students will complete MIG Welding-Steel, and also complete TIG Welding-Steel. They then begin instruction in TIG Welding-Aluminum. Purchase of apparel and materials is required for adults, but is optional for high school students (approximately \$150). Completion of Welding I, II, III, IV prepares the student for the 3G & 4G Structural Certification Exam.
