

Certified Nurse Assistant / Home Health Aide

School: SoCal ROC
Course ID: 472
Availability: Call 310-224-4200

Short Description

Are you passionate about caring for people? Are you looking for a specialized career in a hospital setting? Are you ready to make a quick move into the work force? This comprehensive 8-week course is designed for you.

Description

You will be equipped with the skills to care for patients in a hospital or residents in an extended-care facility. You will also be prepared for a rewarding career as a Home Health Aide assisting the elderly, convalescents or persons with disabilities in the person's home. The curriculum will include, but not be limited to, Title XXII, OBRA (patient rights), vital signs, fire/safety regulations, Universal/Standard Precautions, nursing process, fluid intake and output, personal hygiene, body mechanics, nutrition, specimen collection, activities of daily living, basic anatomy and physiology, medical terminology, abbreviations and communication skills. Upon successful completion of the course, the student will be eligible to take the state exam to become a CERTIFIED NURSE ASSISTANT and submit an application to the State of California for a Home Health Aide certificate. The course includes externship.

Prerequisites

For the enrollment requirements, please review the course prerequisites letter.

On the Job Training

Externship is mandatory.
