

BASIC VEHICLE MAINTENANCE

3 HOURS; \$150

SATURDAY, 12/4/21 9AM - 12PM

Save money on basic vehicle maintenance by changing oil yourself. This one day, 3-hour class will teach participants step-by-step, the process involved in properly and safely performing an oil change. We will also cover the basic tools needed and the proper oil to put in your vehicle. We will also cover performing multi-point inspections to include checking: tire pressure, brakes, power steering, transmission, and coolant fluids.
